

Women's connection Retreat

Cannon Beach
Conference Center
September 16-18, 2022

Join us for an inspirational weekend with guest speaker, **Donna Jones**. Versatile and dynamic, Donna combines strong Biblical teaching with personal stories and application to inspire her audience to move one step closer to Christ. Seldom can a speaker relate to young and old, seeker and veteran of the faith all at the same time – but somehow Donna Jones does. Her personal warmth and genuine love for Christ captivates her audiences, leaving her listeners feeling as though her message was meant just for you. She will make you laugh, sometimes make you cry, but always leave you with new insights into how to grow in your relationship with Christ.
